Glass Worker 350kg Glazing Robot For Forks

The Glass Worker 350kg Glazing Robot For Forks is available as standard with fork pockets which are appropriate for all machines or with Quick Shift for Telehandler.

In addition, the Glass Worker 350kg Glazing Robot For Forks have a hydraulic system which makes it independent from the Telehandler.

The Glass Worker 350kg Glazing Robot For Forks has no less than 350 kg lifting capacity and has a 2-circuit vacuum system which provides great security.

The impressive 500 m telescopic feature allows mounting of elements in places where other machines give up.

Multifunction control panel in operator friendly design with integrated buttons.

Signal lights and Double action safety keys are both in the standard setup on the 350TH.
