

U V Glue Application Needle Amber/Orange - 1.37mm ( Model: R0030.33 )

UV adhesives are applied in small quantities and thin layers. Thanks to application needles, UV adhesives can be applied quickly and in a controlled manner. Time-consuming cleaning work is no longer required. This saves both time and material.

- Suitable for UV adhesives
- Suitable for 20 g, 100 g, and 250 g bottles
- For use with adaptor
