

Clear Safety Glasses with Cord (Model: D0018)

- Clear Chopper Style Glasses with Cord
- Wrap Around Style
- Hard Anti-Scratch Coating
- Anti-Mist
- Ultra Violet UV385 Protection

• Description: Clear Safety Glasses has a polycarbonate lens which is coated with both, an anti-scratch, and anti-mist protection. The Chopper protective glasses also have a UV protection of 385nm. The wrap-around style helps to cover more of the gap between the eye and the glass, to offer better protection than other styled specs. For ease of use, the Chopper also comes with a handy cord, to allow glasses to hang from the neck when not in use.

- Safety Standard: EN166: 1F AS AM UV
