

Invisible Shield Surface Protection 950ml (Model: N0028)

- Long-lasting "invisible" nano-scale barrier coating seals, polishes & protects glass, porcelain & ceramics, glass shower doors & enclosures, porcelain sinks & bathtubs, and ceramic tile walls & counters.

- Instantly repels water, soil & stains for easier next-time cleaning.

- Keeps surfaces like new - dramatically reduces the adhesion and buildup of hard water minerals, soap scum, rust & lime scale for easy removal & improved clarity of glass.

Attributes:

Product Code: N0028

Unit Of Sale: 950ml

Istinye Park Izmir - Turkey 2020
 Glass is one of the most alluring yet delicate compounds on the planet, often times it is damaged before it is even installed. **Invisible Shield** is being tested to treat much of the new glass construction.

Children's Medical Centre, AU
