

Cluster 150x150mm (9) (Model: RB284)

RCB 194

150x150mm

- Regalead decorative glass bevels are designed primarily for the overlay market and are manufactured from 5mm float glass which is bevelled down to a 1.5 - 1.8mm edge.

- These fine edges make the bevel pieces ideal for using with self adhesive lead but also suitable for customers working with traditional lead comes or copper foils.
