

Replacement Centre/Glue Chip 105x118mm (1) (Model: RB296RCGC)

- Regalead decorative glass bevels are designed primarily for the overlay market and are manufactured from 5mm float glass which is bevelled down to a 1.5 - 1.8mm edge.
- These fine edges make the bevel pieces ideal for using with self adhesive lead but also suitable for customers working with traditional lead comes or copper foils.
